

SUMMARY OF MICHIGAN AND NEBRASKA TAXES

MICHIGAN	NEBRASKA
<p>Business tax Michigan levies a flat 6% corporate income tax on firms structured as C-corporations. Income for other business entities flows through to the owners' personal income taxes and is taxed at a flat personal income tax rate of 4.25%.</p> <p>The Tax Foundation ranks Michigan's corporate tax system 8th and its overall business climate 12th.</p>	<p>Business tax All corporations present in the state pay a corporate income tax. Multistate businesses may apportion their tax base on the amount of sales in Nebraska. The tax rate is 5.58% on income less than \$100,000 and 7.81% on income greater than \$100,000.</p> <p>The Tax Foundation ranks Nebraska's corporate tax system 29th and its overall business climate 25th.</p>
<p>Property tax Both real and personal property are assessed at 50% of current true cash value. The millage rate will depend on the taxing jurisdiction of the business site. Michigan's average non-homestead property tax rate was 52.38 mills, or \$52.38 per \$1,000, of assessed property. Commercial personal property is exempt from 12 mills. Inventory, pollution control equipment, and special tooling are exempt.</p> <p>Available property tax abatements are negotiated locally. There is a 100% new personal property exemption available in specified communities. Also, 50% abatements for up to 12 years for real property are available to industrial processors and 50% abatements for up to 12 years for real and personal property for high tech companies. Rehabilitation projects can be abated 100%. Michigan also has tax-free Renaissance Zones, effectively eliminating general property taxes.</p> <p>As of August 5, 2014, Michigan began phasing out its personal property tax (PPT) for qualifying personal property. More specifically, the term refers to all personal property located on real property where that personal property is used more than 50% of the time in industrial processes or in supporting industrial processes.</p>	<p>Property tax All real and personal property is subject to taxation in Nebraska. Real property is assessed at or near actual value. Personal property is assessed at net book taxable value. Property tax rates vary by location. A personal property tax exemption is available for the first \$10,000 of valuation of tangible personal property in each district in which a personal preproperty tax return is required to be filed.</p> <p>Inventory is exempt from property taxes.</p> <p>Large investment projects may qualify for property tax abatements.</p>
<p>Workers' Compensation Insurance Michigan allows open competition among insurance carriers in setting rates, allowing Michigan companies to shop for the best prices from among more than 300 insurance carriers. Actual costs will be determined by many factors, such as the selected insurance carrier, occupation code, and payroll.</p>	<p>Workers' Compensation Insurance Nebraska allows open competition among insurance carriers for workers' compensation insurance.</p>
<p>Personal income tax Michigan levies a flat 4.25% personal income tax rate.</p>	<p>Personal income tax Nebraska has a progressive personal income tax of 2.46% on income up to \$3,060; 3.51% on the next \$15,310; 5.01% on the next \$11,220; and 6.84% on income over \$29,590.</p>
